Dear Father

Thank you for supporting the important process of the selection of senior leaders in an Edmund Rice school. Your input is greatly valued and is seen as a very important component of the selection process.

It is expected that the applicant has discussed the advertised position with you, but to assist you in completing this referee report, a copy of the role statement is attached.

I would be grateful if you could complete the referee report on the attached form and return it by Thursday, 1 August 2019 either:
