CHARTER LEADERSHIP AWARDS 2020

**Recognising Outstanding Service
in our School Communities**

EREA CHARTER LEADERSHIP AWARDS

Through the annual presentation of these awards, Edmund Rice Education Australia (EREA) seeks to recognise the outstanding contribution of men and women in the service of their school communities in support of the vision and mission of EREA. By directly linking these awards to the Charter, we celebrate the many diverse ways that the four Touchstones are brought

to life as a powerful expression of the charisma of Edmund Rice alive today. In addition, the awards recognise the significant leadership role of men and women in our schools and the impact that their leadership has on the lives of others.

AWARD CATEGORIES

School communities will be able to nominate one person each year in each of the following categories:

CRITERIA

For each award, the recipient will have demonstrated outstanding leadership in his/her community and through his/her commitment, exemplified the true meaning of an authentic Catholic school in the Edmund Rice Tradition.
