

Seeking approval for research in EREA schools & other entities

Welcome to Edmund Rice Education Australia (EREA)

Your Research starts here

Are you wishing to undertake Research in an EREA School or Early Learning Centre?

Are you a Researcher External to EREA or a doctoral student Internal or External to EREA?

Are you an EREA staff member undertaking Research in your own School for the purposes of ongoing learning, reflection and improvement?

Are you a student researcher in your own School wishing to conduct Research as part of undergraduate study or postgraduate study at diploma, honours or masters level?

Does your Research align with EREA's strategic directions and Catholic values?

Do you intend to publish in the public domain?

Will your Research improve outcomes for EREA staff, students or education more broadly?

Is your Research with adult participants and 'negligible' or 'low' risk according to the NHMRC National Statement?

Are your research participants adults?

Conditions apply for Research involving young people. Consult the EREA Research Guidelines

Download application

Need help?

Need help?

Contact the EREA Research Officer at research@erea.edu.au

Check that you have all required documentation. See Guidelines Section 8

Submit application

Respond to required follow-up and resubmit

Receive decision of Research Assessment Panel

Research application and decision recorded in EREA Research Register

Response from Researcher within 6 months

Approach school(s) Principal(s) for access

Complies with EREA Research Guidelines, including university sign-off?

Principal decision

EREA terminates research approval

Researcher completes all Child Safeguarding / WWCC requirements

Proceed with Research

Matter referred back to EREA Research Assessment Panel

Complaint

Referred back to Research Assessment Panel and amendment recorded in EREA Research Register

Amendments to research application required

Do you wish to withdraw from your Research?

Research complete

Final report to EREA and participating Schools

Email research@erea.edu.au
